Cluster-contract farming for chilli

The World Spice Organization has approached Spices Board with a proposal to grow chilli in non-traditional areas (Cluster-contract farming) of Madhya Pradesh with the assistance from the Department of Agriculture, Madhya Pradesh.. The proposal has been discussed in detail and considering the need of producing pesticide free chilli and chilli products for exports, Spices Board decided to support this programme. Spices Board would like to welcome interested exporters of chilli/chilli products to join the programme and to support similar programmes by any Groups/Associations. Interested chilli/chilli products exporters, Groups/Associations may contact Deputy Director (Planning & Coordination), Spices Board, Cochin.
