# ગુજરાતમાં બીજમસાલા માટે ખરીદનાર અને વેચનારની બેઠક गुजरात में बीज मसालों के लिए क्रेता विक्रेता बैठक BUYER SELLER MEET FOR SEED SPICES IN GUJARAT

5<sup>th</sup> DECEMBER 2023 AT GANDHINAGAR, GUJARAT

India proudly holds the title of being the world's leading spice producer, consumer, and exporter. During 2022-23, India showcased its prowess by exporting a staggering 14.04 lakh MT of spices and spice products, valued at ₹ 31,761.38 crore (3,952.60 million US\$).

With a footprint in over 180 countries, India exports more than 225 spices and value-added spice products. From its roots as a traditional supplier of whole spices, India has ascended to become the foremost global hub for spice processing.

Among the leading contributors to this vibrant export basket are Chilli, Cumin, Spice oil & Oleoresins, Mint Products, Turmeric, Curry powder, Cardamom (small), and Pepper. Notably, seed spices account for over 25% of the total volume and 18% of the total value of spice exports.

Gujarat and Rajasthan collectively form the Seed Spice Bowl of India. At the forefront of India's seed spice production is the state of Gujarat, renowned for its pivotal role in processing, trading, and exporting of seed spices. Gujarat stands tall as a major producer of Cumin and Fennel, yielding 2.74 Lakhs MT of Cumin across 2.76 lakhs Ha, boasting a productivity rate of 0.99 MT/Ha in 2022-23. Additionally, it produced 1.17 lakh MT of Fennel over 0.58 Ha, demonstrating a productivity rate of 2.07 MT/Hector. The total seed spices production in Gujarat was 7.44 Lakh MT across 5.81 lakhs Ha in 2022-23. The Agricultural Produce Market Committee (APMC) in Unjha, Gujarat, stands as a beacon of excellence and is recognized as one of Asia's largest seed spices markets and a premier processing hub for these spices within India.

Spices Board (Ministry of Commerce & Industry, Govt. of India), the flagship organization for the development and worldwide promotion of Indian spices has been spearheading activities for promotion

and facilitation of spice trade by strengthening linkages at various levels of the Spice Industry.

In order to address the SPS issues in spices trade and to ensure export of safe and high-quality spices from India to overseas markets, Spices Board in collaboration with Food and Agriculture Organization and Standard and Trade Development Facility (STDF) is implementing a project titled "Strengthening spice value chain in India and improving market access through capacity building and innovative interventions" in potential spice growing areas. In Gujarat, the Board is implementing the project in Umta and Kharbatiya villages in Mehsana (with focus on fennel) and Dendava & Tirthgam villages in Banaskantha district (with focus on cumin).

Further, with a view to facilitate better price realization and explore better marketing channels to promote the export of spices and spice products for the stakeholders of spices sector, Spices Board has been organizing Buyer-Seller Meets (BSM), which have been instrumental in providing opportunities for direct and effective business linkages among the stakeholders.

In order to promote the export of spices from Gujarat, Spices Board in collaboration with FAO and STDF is organising the Buyer Seller Meet on 5th December 2023 at Satkar Garden Restaurant & Banquet Hall, Kudasani, Gandhinagar, Gujarat. Its primary goal is to forge market alliances and direct collaborations, bridging the gap between growers and exporters. Around 200 participants including FPOs, progressive farmers, farmer's societies, processors and traders from Gujarat and exporters from across the country will be attending the BSM.

## List of Participants

### a. Exporters (Buyers)

S. No.	Name of the Company	Name of the Person	Email	Mobile Number
