

Investor Conclave and Buyer Seller Meet for Spices

Spices Park, Sivaganga, Tamil Nadu – 23rd December 2023

Tamil Nadu, the southernmost state of India, is one of major contributor to the country's agriculture basket. Blessed with diverse climatic zones, majority of its population are engaged in agriculture and its allied sector for their livelihood. The state produces a range of cereals, pulses, oilseeds, fruits, plantation crops including spices, etc. It is noteworthy, that the state has 21 Agricultural products registered under Geographical Indications (GI), including spices viz., Malabar Pepper, Alleppey Green Cardamom, Erode Manjal, Kanniyakumari Clove, Ramnathapuram Mundu Chilli and Kodaikanal Malai Poondu.

Tamil Nadu holds a significant position in the spices sector of India. The state with ample production of clove in Kanyakumari district is the largest producer of clove in the country, besides producing sizeable quantities of Chilli, Turmeric, Tamarind, Coriander, Cardamom, Black Pepper, Curry leaves etc. Chilli and Coriander are grown in semi-arid tracts of Thoothukudi, Ramanathapuram, Sivagangai, Virudhunagar and Thirunelveli districts. Tamil Nadu also offers GI tagged spices like Ramanathapuram Mundu chilli, Kodaikanal Malai Poondu (Hill Garlic) and Kanyakumari Clove. The State, through the ports of Ennore, Chennai, Kattupalli, Tuticorin and Tudyialur handles around 20% of the total exports of spices from India.

Spices Board (Ministry of Commerce and Industry, Government of India) is the flagship organization for the development and export promotion of Indian spices. The Board has been implementing various schemes for the export-oriented production of spices, adoption of post-harvest technology and quality improvement training to the spices growers, Farmers Producer Organisation/Farmers Producer Companies throughout the country in spices growing regions.

In order to facilitate processing and value addition of spices and spice products, the Board has established Spices Park at Kottagudi village in Sivaganga, Tamil Nadu, with a special focus on Chilli and Turmeric. The park has facilities for common processing and warehousing for spices. The park also offers plots to exporters, for setting up units for processing and value addition of spices.

Further, with a view to strengthen the operations of the Spices Park and to upgrade the park as an industrial hub for processing and value addition of spices and food products, with the participation of the investors/exporters from spices and allied sectors, and to create a platform for better commerce and trade aimed towards direct linkages of the spice farmers in Tamil Nadu with exporters, the Board is organizing an Investor Conclave and Buyer Seller Meet for Spices on 23rd December 2023 at Spices Park, Sivaganga, Tamil Nadu.

The event will provide a platform to strengthen trade ties of the sellers/ suppliers of seed spices from the region with exporters from across India, besides dissemination of information on the applicable standards of quality and safety, with a view to facilitate collective efforts for ensuring a sustained supply of an exportable surplus of spices. Around 200 participants including plot holders of the Spices Park, FPOs, progressive farmers, farmer's societies, processors and traders from Sivaganga and nearby areas as well as exporters from across the country will be attending the event. The list of participants (Buyers/ Exports, Sellers / FPOs and Exhibitors are as follows.
