

INTERNATIONAL BUYER SELLER MEET FOR INDIAN SPICES WITH FOCUS ON CHINA

India and China have cultural and economic interactions dating back to ancient times. Trade along the Spice routes and Silk route facilitated the exchange of various Indian spices, including pepper, cinnamon, cloves, cardamom, and other valuable commodities with Chinese goods such as silk, porcelain etc, and also fostered cultural, diplomatic, and technological exchanges that enriched both Indian and Chinese civilizations. Over the decades, the trade volume between the two countries has continued to grow substantially.

Spices Board (Ministry of Commerce & Industry, Govt. of India) is the flagship organization for the development and worldwide promotion of Indian spices.
