with focus on Karnataka

on 9th December 2020 (2.30 pm – 5 pm)

Spices Board (Ministry of Commerce & Industry, Govt. of India), the flagship organization for the development and worldwide promotion of Indian spices has been spearheading activities for promotion and facilitation of spice trade by strengthening linkages at various levels of the Spice Industry.

India's spice exports, with a volume of 11,83,000 MT valued at Rs.21515.40 crore during 2019-20, scaled the landmark level of 3 billion US\$ in value realization, besides recording a growth rate of 8% in volume, 10% in rupee terms and 8% in dollar terms over the previous year, despite the global pandemic situation.

The State of Karnataka is blessed with ideal weather for the cultivation of a wide variety of spices. Pepper, the King of Spices and cardamom, the Queen of Spices, nutmeg and clove are grown mainly in the western ghat region of Coorg, Hassan, Chikmagalore, Shimoga and North Karnataka districts. Chillies, turmeric, ginger, tamarind, garlic, coriander etc are mainly grown in the plain lands. During 2019-20 Karnataka produced 720400 MT of spices from an area of 221880 Ha.

Spices Board with a view to further promote the export of spices and spice products, has been organizing Buyer Seller Meets (BSM), so as to provide a common platform for the Buyers and Sellers of the spice industry, to interact directly and establish effective business linkages. The global pandemic situation due to COVID-19 has necessitated switching over of physical events to virtual ones. Accordingly, the Board is organizing a virtual Buyer Seller Meet for Ginger and Black Pepper with focus on Karnataka on 9th December 2020 from 2.30 p.m. to 5.00 p.m.

More than 150 sellers /producers representing progressive farmers, farmer's societies from the districts of Coorg, Hassan, Chikmagalore, Shimoga, Sirsi, North Kannada, Kodagu etc and 60 exporters from across the country will be attending the BSM.
